This is necessary for the future of the TWEED HEADS COURSING LTD to sell off some of the clubs assets. Expression of interest will close on the 12<sup>th</sup> March 2010 at which point the club will decide which offer is best suited to the Clubs Needs. But to all staff, trainers owner and person that are connected with the Club these are our preferred options.

**Option 1** is that the club will sell off around 7 hectares of land at Border Park, which would mean that we relocate within the park with a new LOAM TRACK and New first class amenities.

**Option 2** is that the Club sell whole Border Park and move to a location in the Tweed Shire once again with a new LOAM TRACK and New first class amenities.

**Option 3** is to sell to the Gold Coast City Council and become a tenant with a New Loam Track with limited control over the club operation. This option would also be the lower cost to the club,
